Experienced

BFN Industries has the expertise and capability to handle any industrial painting job. From powder coating to liquid coatings to welding, no matter how big or how small, every project is our top priority and every customer is our most important.

Professional

BFN understands your business and we pride ourselves on our formal quality system and customer service. Every job is delivered just the way you want it -- on time and on budget.

Efficient

In our expanded, full-service facility, no job is too big or too tough. With one of Denver's largest baking ovens, we can handle huge orders and still ensure a quick turnaround. We also have a metal fabrication department, silk screening and liquid spray capabilities. Our conveyor-fed multi-station paint line can handle multiple jobs, saving valuable time.

BFN customers can choose any of our wide variety of standard colors and finishes -- veins, wrinkles, textures or glitter in black, white, red, yellow and green -- or we can special order an individualized option to meet your specific needs.

Competitive

We offer competitive pricing, and for a nominal fee, pickup and delivery service for your parts and finished projects. Call us for a free quote and find out how BFN Industries can make your business better.
